

MARMOROS

AN EXCLUSIVE UNIT OF SHREE AGRASEN MARBLE & GRANITES

The background of the entire page is a close-up photograph of a light-colored, possibly marble or granite, stone surface. The stone has a subtle, veined pattern. Overlaid on this surface are several intricate, raised designs made of gold leaf. These designs appear to be stylized, possibly floral or geometric, and are highly detailed, showing the texture of the gold leaf and the way it has been applied to the stone. The lighting is soft, highlighting the three-dimensional quality of the gold leaf designs.
